

SatAlite™ Machinery Monitoring Systems, LLC

Pushing the boundaries of Vibration Monitoring

Harvesting RF Energy
provides continuous data monitoring

**Patent
Pending**

**Smart Triaxial Accelerometer
Available NOW**

Alarming - Sends FFT upon exception (2 alarm levels)
Transmission Distance – 1 mile in open air (installation dependent)

**MACHINERY
MONITORING
SYSTEMS, LLC**

**Booth
710**

**Details at the GMRC Industry Innovations Spotlights
Tuesday, October 6, 2026**

Wireless Battery-Free Smart Sensors
